greatest of all African missionaries, explorers, and antislavery advocates. Before Livingstone, Africa's interior was almost entirely unknown to the outside world. Vague notions prevailed about its geography, fauna, flora, and human life.

David Livingstone | Encyclopedia.com

David Livingstone: Africa's Trailblazer tells of how an ambitious Scottish boy ended up a doctor and great African explorer. It's written on a middle grade level and covers the basics of Livingstone's life very well. It focuses heavily on his missionary work and glosses over his exploration leaving a fairly unbalanced picture, however.
