Disruption Overturning Conventions And Shaking

Disruption: Overturning Conventions and Shaking Up the Marketplace is veteran advertising industry executive Jean-Marie Dru's iconoclastic proposal for replacing business-as-usual advertising and marketing philosophies with radical new thinking. He contends that this shift in thought will better position new and established products, brands, and services for the competitive battles to come.

Disruption: Overturning Conventions and Shaking Up the ...

To put it simply, disruption is about uncovering the culturally embedded biases and conventions that shape standard approaches to business thinking and get in the way of clear, creative thinking. Its about shattering those biases and conventions and setting creativity free to forge a radical new vision of a product, brand, or service.
