Encyclopedic dictionary of the sciences of language (1979 ...

Encyclopédie, ou dictionnaire raisonné des sciences, des arts et des métiers (English: Encyclopaedia, or a Systematic Dictionary of the Sciences, Arts, and Crafts), better known as Encyclopédie, was a general encyclopedia published in France between 1751 and 1772, with later supplements, revised editions, and translations.

Encyclopédie - Wikipedia

An encyclopedic dictionary typically includes many short listings, arranged alphabetically, and discussing a wide range of topics. Encyclopedic dictionaries can be general, containing articles on topics in many different fields; or they can specialize in a particular field, such as art, biography, law, medicine, or philosophy. They may also be organized around a particular academic, cultural, ethnic, or national perspective. Historically, the term has been used to refer to any encyclopedic refer
