Amazon.com: Entangled Minds: Extrasensory Experiences in a ...

In his book, "Entangled Minds", Dean Radin blends his experience as a scientist with his sincere desire to present readers with easily understood and timely information about quantum mechanics and Psi research (Psi as it is used here can be defined as, "A means by which information can be gained from a distance without the use of the ordinary senses.")

Entangled Minds: Extrasensory Experiences in a Quantum ...

Radin refers to minds as "entangled" because of his own suspicion that psi results from what is called "quantum entanglement", where two particles become associated with one another so that even if separated in space, the activity of one directly affects the activity of another.

Entangled Minds: Extrasensory Experiences in a Quantum ...

Could "entangled minds" result in the experience of your hearing the telephone ring and somehow knowing - instantly - who's calling? If we did have such experiences, could they be due to real information that somehow bypassed the usual sensory channels, or are such reports mere delusions? Can psychic or "psi" experiences be studied by science ...
