Just in case you've forgotten, a manager in a matrix organization has two or more upward reporting lines to bosses who each represent a different business dimension, such as product, region ...

Making Matrix Organizations Actually Work

The hard matrix format is similar to a dedicated team, where the team members have a clear line of reporting to the project manager. The project manager is the functional manager until the project ends. Generally, the function the team member belongs to loses that person for the duration of the project.
