Fourteen historians and archaeologists come together to tackle the role of the western Mediterranean in what is conventionally known as 'Hellenistic' history. Their essays challenge the centrality of the East in the 'Hellenistic World', the focus on Rome in accounts of the West, and the concept of the 'Hellenistic' itself.

Rethinking the Mediterranean - Edited by W. V. Harris ...

By George Friedman The territory between the Mediterranean and the Hindu Kush has been the main arena for the U.S. intervention that followed the 9/11 attacks. Obviously, the United States had been engaged in this area in previous years, but 9/11 redefined it as the prime region in which it confronted jihadists.
