### The Indifferent Stars Above The

The Indifferent Stars Above is simply an amazing piece of nonfiction. I'm a California native and have known about the Donner Party forever. "Oh, yeah, those are the dopes who waited too long to cross the Sierras in winter. They got stuck in the snow and ended up eating each other to survive."

### The Indifferent Stars Above: The Harrowing Saga of a ...

'The Indifferent Stars Above' is well-researched and gives both the reasons for the decisions made by so many to pursue their luck in California and historical details of life in America in the mid of the 19th century. I found this book informative and engaging, and harrowing as it was at times, I am glad to have come across it.
